OPEN HOUSE

We would like to extend to you a special invitation to come to our annual **Open House** on **October 25th** from 2:00 to 4:00 in the afternoon. We find this affords a special time for our supporters and potential supporters to come see our beautiful campus and to meet our staff and residents. The residents seem to have fun taking all the guests on tours of their home with special emphasis put on their own bedroom. They work very hard so it will look pretty for everyone. As Jim visits potential supporters around the state, there may be questions you have that can easily be answered by coming to see the campus for yourselves. "Seeing is believing." We have around 100 supporting churches plus many individuals who freely support our work out of their own pockets, through memorials and honorariums every month. So please come and enjoy our beautiful campus.

EMPLOYEE MILESTONES

Everyone on our staff has reached a new milestone in recent weeks. Rickey and Carole Cosby celebrated their fourth anniversary as houseparents on September 22nd with Rickey doubling as a maintenance man.

Elayne Montgomery celebrated her eighth anniversary on October 1st as our Administrative Assistant. Jim Blankenship celebrated his fifth anniversary on October 4th as our Director

HOUSE PARENTS NEEDED

We are in dire need of house parents to care for our children at Happy Haven. We have probably had to turn down 15-20 children this year because we don't have enough Moms and Dads to take care of them. The children are many who need our services, but we have to have qualified Christian parents to care for them. Although our unemployment rate is devastating, we don't seem to be able to make the right match to fill our positions. If you are a faithful member of the Church of Christ, at least 21 years of age, a high school graduate, married, preferably with one year experience in child care and would like to care for our children in a Christian environment, please give us a call. We offer houseparents a competitive salary, up to \$150 a month toward the cost of health insurance, the use of a five-bedroom house and a 15-passenger van and all that goes with that in exchange for caring for up to eight at-risk children.
